SafetyLink® FrogLink®

Surface-Mounted Anchor

The FrogLink doesn't just look good; its dynamic design reduces the load back onto the structure and person attached to the anchor.

PRODUCT CODE:

FROGL001

FrogLink Complete Unit

SafetyLink's 316 stainless steel surface-mounted FrogLink has set a new benchmark in the field of height safety.

This revolutionary all in one unit has been designed to attach to all metal profiles with a single row of attachment holes. This unique configuration makes it a fast simple unit for installation.

Its low profile reflective design is a plus for any commercial or residential enterprise wanting to maintain an aesthetically pleasing façade.

The FrogLink doesn't just look good; its dynamic design reduces the load back onto the structure and person attached to the anchor. The FrogLink™ is tested and manufactured in accordance with Australia and New Zealand Standard AS/NZS 1891.4 and European BS EN 795:2012, CEN/TS 16415:2013.
